Environmental Impact Certificate

PRIOTHERA SAS

Tree identification number: EOZ10-24

Geolocation: 18°45'13"S 47°31'25"E

Thanks to your participation, you have:

Replanted 2000 trees

Captured
over 100 tons
of CO₂

Allowed to fight against food
insecurity by planting some
fruit trees dedicated to the
support of the local
population

2400 Smiles is committed to carbon offsetting since 2020.

Replanting with us is 100% organic, beneficial for vulnerable populations and consistent with the realities of the field.
